Disciplina di riferimento e /o discipline coinvolte: Inglese

Insegnante di riferimento e insegnanti coinvolti: Maria Aloia / Anonietta Lococciolo/Caterina Mutinati

Titolo: “Who am I and who are you? Learning about our their fellow European citizens”

Classe/classi: 2E/2F/3E/3F

Paesi coinvolti: ITALIA/GRECIA

Breve descrizione:

Questo progetto è basato sulla consapevolezza culturale. Vedrà diverse classi coinvolte che parteciperanno in videoconferenze via Skype, condividendo le loro culture attraverso mappe concettuali realizzate online sui vari argomenti. Durante ogni incontro avranno una discussione su diversi argomenti come la storia del loro paese, del loro territorio e ambiente, il clima atmosferico, il sistema educativo, il folklore, le celebrazioni e festività locali, il cibo e così via. Infine creeranno una brochure dei punti salienti del paese dei loro nuovi amici ed infine creeranno un sito web che condividerà le culture di entrambi i paesi.

Questo progetto e gli alunni partecipanti è stato premiato con i Certificati di Qualità sia Europeo che Nazionale.

About the project

This project is based on cultural awareness. It will have different classes involved in having a video conference via Skype and sharing their cultures through mind maps done beforehand on the various topics. During every meeting they will have a discussion on different topics such as the history of their country, the geographical position, the weather, the educational system, their folklore, their celebrations, food and so on. Finally they will create a brochure of the other country's highlights (to evaluate what they have learned of each other's country) and at the end they will create a website sharing together what has been discussed during the video conferences.

Aims

- ✓ Students will communicate in a second language;
- ✓ Improve their digital competences;
- ✓ Develop understanding and empathy for differences among people;
- ✓ Identify, analyse and evaluate information;
- ✓ Practice oral skills in a foreign language;
- ✓ Students gain knowledge about different countries and their culture;
- ✓ Prepare and Make a speech and deliver it to pupils;

Work process

The skype video conference will be fixed once a month having the class discuss on their country while the other class listens and then asks questions. The days the activity is going to take place on a fixed day and time that will be chosen together with the partner class based on the different time zones, the availability of the lab for connection etc. The topics that will be discussed and shared are: Country, Education system, Folklore, Teenager lifestyle and problems, Political system.

Expected results

At this stage, the students from both countries try to build on the video conference and develop it further by producing of the following outcomes:

- Brochure: Students from both classes publish their contributions in a form of a text in their mother tongue language and also in English.
- Web site: Students from both classes will contribute in creating web pages based on what has been said during the video conferences through photos, videos, speeches, web quests, links to other interesting resources, power point presentations and mind maps.
